

HELP US SUPPORT LIVE MUSIC IN SONOMA COUNTY

Sonoma County Dance Beat began with a comprehensive live music calendar (socodancebeat.com) on March 31, 2014. Since then, our scope has extended to more services in support of local live music, which include talent buying, matching musicians with venues on a complimentary basis, dance lessons at events, advocating for musicians, advising venues, helping musicians with music videos and more.

This will be our first fund-raising event since Spring of 2019. We're thrilled to be partnering with a non-profit arts organization, Sonoma County's coolest, new venue, The California.
